**Join us for our first Democracy Dinner on
*Sweeping changes coming to civic election rules***

Voter turnout is on the decline in most B.C. municipalities. In October 2009 Premier Campbell created a provincial task force on **local elections reform**. The task force reports to the legislature May 30, 2010. The province then plans to implement changes in time for our next civic election, fall 2011. There has been limited opportunity for citizen input.

See www.localelectiontaskforce.gov.bc.ca for more information.

What changes would you make to civic election rules? Join the conversation! Former Saanich councillor and MLA David Cubberley will open the discussion as our Democracy Dinner guest speaker. Over fresh-from-the-garden salad, hearty soup, and home-baked bread everyone 'round the table is welcome to share their views. Over dessert, one-time council candidate Rob Wickson will recap and share observations from his campaign experience. SCL will make a submission to the provincial task force based on the evening's conversation.

\$15 per person, pre-paid. Limited seating.
